

The Public Health Agency of Canada (PHAC) is currently hiring ECs and equivalents, for at-level secondments, to support COVID-19 policy work in the Strategic Policy and Planning Branch (SPPB).

This is a great opportunity to make a difference and work with a cutting-edge policy team.

Qualified individuals will possess:

- Strong strategic and horizontal policy analysis skills
- Ability work autonomously
- Flexibility and the ability to shift priorities and directions
- Initiative and ability to mobilize and engage others and build consensus
- Exceptional writing skills and ability to prepare high quality strategic briefing material for senior management (i.e., ADM-level and higher)
- F/P/T, stakeholder or Indigenous experience is considered an asset.

We are open to interchange agreements.

Before expressing your interest, please consider the following criteria:

- You must at least be a substantive EC-04 or above with experience at that level;
- You **must** have your management's approval;
- You must have a valid Secret security clearance;
- The positions that are available are six months to two-year secondments/assignments in the National Capital Region, with the possibility of an extension; and
- We are located at 130 Colonnade, Ottawa (free parking), and given the nature of the work, you may be asked to work onsite part of the time.

If you are interested and meet the above requirements, please send your CV to Phac.covid19.policy-politique.covid19.aspc@canada.ca confirming your group and level, security and language results.

Thank you !

The SPPB COVID-19 Staffing Team.
