

FACULTY POSITION
2-Year Limited-Term - Lecturer or Assistant Professor
Arthur Labatt Family School of Nursing

The [Faculty of Health Sciences](#) at Western University, seeks an emerging/accomplished educator to join our leading edge [Arthur Labatt Family School of Nursing](#) with over a 100-year history of education and research excellence. The School is one of six in a progressive Faculty and offers academic programs in nursing at undergraduate, masters, and doctoral levels. A new state-of-the art building for the School opened in January 2017.

This is a 2-year faculty position as a Limited-Term Lecturer or Assistant Professor. Rank and compensation will be commensurate with educational qualifications and experience. The successful candidate will support the continuing evolution and delivery of the BScN Compressed Time Frame and Collaborative programs according to curriculum needs. Responsibilities may include classroom, laboratory, simulation, clinical teaching, scholarly activity, and service to the School, Faculty, University, and profession, as appropriate. A Master of Science degree in Nursing or a Master of Nursing, as well as a Baccalaureate degree in Nursing is required. Preference may be given to individuals with a PhD or nearly completed PhD in Nursing or a relevant discipline. Candidates with a PhD and relevant teaching experience may be assigned to teach a graduate course as appropriate.

Successful candidates will have a strong understanding and demonstrated application of adult learning principles; a learner-centered philosophy of teaching, learning, and evaluation; teaching experience at the baccalaureate level; recent nursing practice experience; a strong interest in the teaching/educator career path in nursing; and a commitment to excellence in teaching and learning. Past experience or ability to deliver undergraduate content in one or more of the following domains would be beneficial: health informatics, simulated practice, or clinical assessment, in addition to experience with curriculum development and technology-enabled learning. Applicants for this position will be Registered Nurses (Regular or Extended class) and hold a current licence entitling them to practice with no restrictions with the College of Nurses of Ontario.
