

## Public Health volunteer opportunities in Malawi, Ethiopia, Mozambique and Zambia

Cuso International is a non-profit international development organization that works to improve the lives of people living with poverty and inequality around the globe. Each year we mobilize hundreds of volunteer professionals who work with local partners to create positive lasting change.

### Cuso International covers the following costs:

- Return airfare and visa/permit costs
- Accommodation while in country
- A modest living allowance while overseas
- The cost of required vaccinations, antimalarial medication and health insurance
- Access to Employee Assistance Program during your placement and when you return
- Travel and accommodation for the five-day pre-departure training course and in-country training orientation and again for a reintegration debriefing weekend after you return.
