

## **Program Science and Global Public Health, Canada Research Chair, Tier 2, Centre for Global Public Health, Department of Community Health Sciences, Max Rady College of Medicine, Rady Faculty of Health Sciences**

The University of Manitoba invites applications for a Canada Research Chair Tier 2, a tenured or tenure-track position at the rank of assistant or associate professor, in the area of Program Science and Global Public Health. The Chair will be situated within the Centre for Global Public Health (CGPH) in the Department of Community Health Sciences (CHS), Max Rady College of Medicine, Rady Faculty of Health Sciences. The successful candidate will be a key contributor to CGPH's program of research that contributes to building evidence in support of programmatic areas, including reproductive, maternal and child health, communicable disease control, and health system strengthening.

### **Responsibilities**

The proposed **Tier 2 Canada Research Chair in Program Science and Global Public Health** will help to consolidate and expand the University of Manitoba's leadership role in global public health. This position will help to develop an advanced capacity for the CGPH in the application of quantitative data analysis to improve the scientific basis of public health programs in communicable and non-communicable diseases, and in reproductive, maternal, newborn and child health. The Chair will have teaching responsibilities at the graduate level, and will be expected to supervise Master's and PhD students, and post-doctoral fellows.

### **Qualifications**

The successful candidate must have a Ph.D. or equivalent in a relevant discipline. Necessary qualifications for the position include evidence of research quality and productivity, as demonstrated by a track record of strong research activity and academic output, and a record of mentorship of undergraduate, graduate and/or post-doctoral level trainees. Rank and salary will be commensurate with qualifications and experience. A successful candidate is expected to be selected no later than July 2019. Applicants must be exceptional emerging scholars with less than 10 years of experience as an active researcher since obtaining their terminal degree at the time of nomination. Tier 2 Chairs are valued at \$100,000 per year for 5 years with an option to renew once.

The University of Manitoba is strongly committed to equity and diversity within its community and especially welcomes applications from women, racialized persons, Indigenous peoples, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas.

Application materials, including reference letters, will be handled in accordance with the *Freedom of Information and Protection of Privacy Act (Manitoba)*. Please note that application materials may be provided to participating members of the search process.

**Application Deadline: April 15, 2019.** Review of applications will continue until the position is filled.

Application materials should include:

- a cover letter outlining the candidate's qualifications and how they fulfill the above-listed criteria;
- a curriculum vitae (including examples of significant research contributions);
- a two-page statement outlining the innovative and original proposed five-year research program envisioned for the Tier 2 chair, and its potential to attract funding and contribute to student training;
- a teaching statement that documents the candidate's experience in and approach to training and mentoring diverse students, and the candidate's teaching philosophy; and
- the names and contact information of three referees.

Please send applications by email to: Dr. Stephen Moses, Head, Department of Community Health Sciences, Rady Faculty of Health Sciences, University of Manitoba
