

# Vice President, Regional Care Integration Surrey, British Columbia

Fraser Health, located in the Metro Vancouver and Fraser Valley region of British Columbia, has 20 culturally and geographically diverse communities - from urban to rural. As the fastest growing region in the province, we provide health services to 1.6 million people with 12 acute care hospitals, tertiary teaching hospitals, and services in public health, home health, mental health, and residential care facilities.

Are you looking for an opportunity to showcase your exceptional strategic vision and proven leadership abilities? Has your past experience prepared you to lead the primary care and community services in a health authority dedicated to improving the health of the people we serve?

The Vice President Regional Care Integration is an Executive Leadership position accountable to the Chief Executive Officer. Tasked with leading the community and primary care services and working in partnership with other members of the executive team to ensure integration with acute services.

As a member of the Executive Team, the Clinical Operations Committee, and the Senior Leader of Care Integration you will set the strategic direction for areas of responsibility including:

- Acquired Brain Injury Program (ABI)
- Choice in Supports for Independent Living (CSIL)
- Chronic Disease Management
- Community Living BC (CLBC)
- Frail & Older Adults
- Home Health
- Mental Health & Substance Use
- Palliative Care/End of Life Care
- Primary Care implementation
- Residential Care & Assisted Living

Are you motivated to join us?

Here is what will be integral in your success:

- Master's Degree in Health, Business Administration
- Fifteen years or more of experience including at the senior leadership level of a complex health organization
- Validated leadership in development, implementation and evaluation of complex service delivery systems
- A track record of building coalitions and forming partnership to achieve goals

Do you take responsibility for your own performance and aim to model integrity, resilience and confidence? Are you passionate about setting direction focused on building an engaging environment that challenges others to achieve their goals? Let's continue the conversation.
